## *Risk Disclaimer*

*Investments in financial products are subject to market risk. Some financial products, such as currency exchange, are highly speculative and any investment should only be done with risk capital. Trading foreign exchange on margin carries a high level of risk and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to invest in foreign exchange you should carefully consider your investment objectives, level of experience, and risk appetite. The possibility exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with foreign exchange trading and seek advice from an independent financial adviser if you have any doubts. By opening a trading account with us, you as a Client certify that you understand the risks involved, are financially able and of sound mind to assume the risks involved in speculating or trading of "Contracts" or other financial products of "Over-the-Counter" markets supplied or provided by Leading Alliance Holding Pty Limited. We advise that you read through the following risks involved and if necessary, to seek professional advice.*

- (ii) at any time, and from time to time, Leading Alliance determines that the value of all of the Client's Open Positions represents a substantial net unrealized loss to the Client such that, in Leading Alliance's belief, the continued trading, or failure to Close Out, one or more of the Client's Open Positions will or is likely to materially prejudice the Client's Account Value. Leading Alliance shall have the right, at our sole discretion, to determine the Mark to Market value from time to time. - (iv) a representation or warranty by the Client in the Agreement is found to have been incorrect or misleading when made or taken to be made. The Guarantor agrees to pay amounts due under clause 6 on demand from Leading Alliance Holding Limited. Leading Alliance Holding Limited need not incur expense or make payment before enforcing this right of indemnity. The guarantee in clause 6 is a continuing obligation despite any intervening payment, settlement or other thing and extends to all of the Client's obligations in connection with the Agreement. The Guarantor waives any right it has of first requiring Leading Alliance Holding Limited to commence proceedings or enforce any other rights against the Client or any other person before claiming from the Guarantor under this guarantee and indemnity. The Guarantor acknowledges that, before entering into this guarantee and indemnity, it:
  - (i) was given a copy of the Agreement (and all documents giving rise to your obligation in connection with the Agreement) and had full opportunity to consider their provisions; and
  - (ii) is responsible for making itself aware of the Client's financial position and any other person who guarantees any of the Client's obligations in connection with the Agreement. The Guarantor agrees to make payments under this guarantee and indemnity:
    - (i) in full without set-off or counterclaim, and without any withholding or deduction unless prohibited by law; and
    - (ii) in the currency in which the payment is due, and otherwise in United States dollars, in immediately available funds. If the Guarantor makes a payment that is subject to any withholding or deduction, the Guarantor agrees to pay Leading Alliance Holding Limited such additional amount to ensure that the amount actually received by Leading Alliance Holding Limited equals the full amount Leading Alliance Holding Limited would have received had no withholding or deduction been made. The rights are given to Leading Alliance Holding Limited under this guarantee and indemnity, and the Guarantor's liabilities under it, are not affected by any act or omission of us or any other person. For example, those rights and liabilities are not affected by any act or omission:
      - (i) varying or replacing the Agreement;
      - (ii) releasing the Client or giving the Client a concession (such as more time to pay);
      - (iii) releasing any person who gives a guarantee or indemnity in connection with any of the Client's obligations;

- (iv) by which a person becomes a Guarantor after the date of this guarantee and indemnity;
- (v) by which the obligations of any person who guarantees any of the Client's obligations (including obligations under this guarantee and indemnity) may become unenforceable;
- (vi) by which any person who was intended to guarantee any of the obligations does not do so, or does not do so effectively;
- (vii) by which a person who is co-surety or co-indemnifies is discharged under a Client Agreement or by operation of law;
- (viii) a person dealing in any way with the Agreement or this guarantee and indemnity;
- (ix) the death, mental or physical disability, or liquidation, administration or insolvency of any person including the Client or the Guarantor;
- (x) changes in the membership, name or business of any person;
- (xi) acquiescence or delay by Leading Alliance Holding Limited or any other person.

As long as any obligation is required, or maybe required, to be complied with in connection with this guarantee and indemnity, the Guarantor may not, without our consent:

- (i) reduce its liability under this guarantee and indemnity by claiming that the Client or any other person has a right of set-off or counterclaim against Leading Alliance Holding Limited; or
- (ii) exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, mortgage, charge or other encumbrance given in connection with the Agreement or any other amount payable under this guarantee and indemnity; or
- (iii) claim an amount from the Client, or another guarantor (including a person who has signed the Application Form as a "Guarantor") under a right of indemnity; or
- (iv) claim an amount in your liquidation, administration or insolvency or of another guarantor of any of your obligations (including a person who has signed the Application Form as a "Guarantor").

## 7. CORPORATE ACTIONS

If a Corporate Action occurs, Leading Alliance Limited will reasonably determine what adjustment, if any, should be made to an Order to account for the diluted or concentrated effect of any such event to preserve the economic equivalent of such Orders prior to the relevant event or to reflect the effect of such event on such Orders. Any such adjustments will be effective as of a date reasonably determined by us. Leading Alliance Holding Limited will not make dividend payments. If a Client is the Long Party for a Share CFD which goes ex-dividend, Leading Alliance Holding Limited will credit the Client's account with a cash adjustment to reflect the impact of the dividend on the Orders. The amount of the adjustment will depend on the amount of the gross dividend on the relevant number of Share CFDs on the ex-dividend date. If a Client is the Short Party for a Share CFD which goes ex-dividend, Leading Alliance Holding Limited will debit the declared cash dividend from the Client's account. The amount of the adjustment will depend on the amount equal to the gross dividend on the relevant number of Share and CFDs on the ex-dividend date. If an underlying asset to which an Open Position relates is subject to a Merger delisting Event, Leading Alliance Holding Limited reserves the right to close any or all affected Open Positions at any time during the Merger Event. Leading Alliance Holding Limited will not close any Open Position that is subject to a Merger Event unless it has provided reasonable notice to the Client of a deadline for the Client to close their Open Position and the position remains open after this deadline. Leading Alliance Holding Limited reserves the right to adjust the opening price of any Financial Product that is subject to a Merger Event to reflect any cash portion of the offer or to amend the size to reflect any corresponding adjustment to the underlying asset caused by the Merger Event and/or to close the affected Open Positions and reopen a new position reflecting the new underlying asset that has been created. Any such adjustments will be effective as of a date reasonably determined by us. If Leading Alliance Holding Limited determines that no adjustment can be made under this clause 7(g) which would produce a commercially reasonable result, Leading Alliance Holding Limited may close your Open Position at the Close-Out Value on a date reasonably determined by us. Where the Client is the Long Party for a Share CFD in relation to a US stock or security, and the Share CFD goes ex-dividend, Leading Alliance Holding Limited is required by US tax legislation to withhold 30% of the cash adjustment to reflect the impact of the declared dividend. Leading Alliance Limited will remit the amount withheld to its liquidity provider who will account the withheld amounts to the proper US authorities. Clients can view amounts withheld for US tax legislation purposes from their account.

## 8. TRADING SUSPENSION AND DISRUPTION

If, at any time:

- (i) trading in any Underlying Asset on any exchange is suspended or halted; or
- (ii) trading is suspended or halted on any exchange which restricts trading with any relevant index so that Leading Alliance is unable to determine the price of the Underlying Asset, then Leading Alliance will take the price of the Underlying Asset as being the last traded price before the trading suspension or halt. If the suspension or halt continues for 5 Business Days, Leading Alliance at its discretion may Close-Out your part or all of your Positions. When this happens, Leading Alliance will decide the Close-Out date and the Close-Out value of your Contract in good faith (the Close-Out value will be the Underlying Asset price x the number of Contracts). Leading Alliance Holding Limited reserves the right at all time during any marketing limitations, suspension or disruption to adjust the price of any affected Underlying Asset.

## 9. AMENDMENT, ASSIGNMENT AND TERMINATION

### 9.1 AMENDMENT

At no time shall either party enter into commitments for or in the name of the other party or use their intellectual property for any purpose whatsoever. Except as specifically provided for in this Agreement, neither party will:

- (i) use the other party's name or intellectual property without the prior written approval of the other party; or
- (ii) represent itself as being affiliated with, or authorized to act for, the other party.

# CLIENT AGREEMENT

## 9.2 ASSIGNMENT

Any rights or obligations that the Client may have pursuant to this Agreement shall not be assigned, transferred, sold, or otherwise conveyed, except with the prior written consent of Leading Alliance. Leading Alliance may, however, transfer any rights or obligations it may have pursuant to this Agreement to another party without the consent of the Client including, without limitation, in connection with a sale or transfer of all or part of Leading Alliance's business to another person or entity.

## 9.3 TERMINATION

This Agreement may be terminated immediately by the Client or Leading Alliance by Notice to the other in writing. However, termination by either party shall not affect any Order or other transaction previously entered into and shall not relieve either party of any outstanding obligations arising out of this Agreement, nor shall it relieve the Client of any obligations arising out of any Order entered into prior to such termination. In the event that Leading Alliance is made aware of or has reason to believe any of the following:

- (i) that the Client has provided false or misleading information to Leading Alliance; or
- (ii) that the Client has participated or is participating or has assisted or is assisting in money laundering or terrorist financing;
- (iii) that the Client is being officially investigated by law enforcement and/or regulatory agencies;
- (iv) that abnormal trading conditions exist;
- (v) that Leading Alliance is unable to make prices in the relevant Order due to the unavailability of relevant market information for reasons beyond Leading Alliance's control;
- (vi) that the Client may be in possession of "inside information" within the meaning of the
- (vii) Bank Secrecy Act;
- (viii) a Default Event has occurred;
- (ix) an Insolvency Event has occurred in respect of the Client, then Leading Alliance, at its sole discretion, may terminate this Agreement immediately by Notice to the Client, and Leading Alliance shall be relieved of any obligations set out in this Agreement or arising out of the transactions contemplated by this Agreement, including any obligations arising out of any Order already placed with Leading Alliance. Within two (2) days of termination of this Agreement, the Client will return or destroy all materials received from Leading Alliance as per Leading Alliance's written instructions. Each party's duties of payment, delivery, and destruction of materials shall survive termination of this Agreement.

## 10. SET-OFF AGAINST MONIES OWED

In addition to other rights available to Leading Alliance, the Client authorizes Leading Alliance to:

(i) appropriate, transfer, credit, apply or pay monies that may be received by Leading Alliance or held by Leading Alliance on the Client's behalf in payment of any amounts which may be outstanding by the Client to Leading Alliance or to an agent of Leading Alliance in a transaction effected on the Client's behalf; and

(ii) set-off against any amounts due to it by the Client, any amounts received by Leading Alliance from or on behalf of the Client including but not limited to monies received as Deposits or Margin Calls. Leading Alliance may determine the application of any amounts which are to be set-off at its own discretion. Payments by the Client to Leading Alliance in accordance with this Agreement must be made without any set-off, counterclaim or condition and without any deduction or withholding for any tax or any other reason unless the deduction or withholding is required by applicable law. Should the Client be required to make any form of deduction in respect of tax from any payment to be made or if Leading Alliance is required to pay any tax in respect of any payment made in relation to this Agreement at the Client's request the Client agrees to keep Leading Alliance indemnified against that tax and agrees to pay to Leading Alliance any additional amounts required to ensure Leading Alliance receives the full net amount that is equal to the amount Leading Alliance would have received had a deduction, withholding or payment of tax not been made. Deposits or Margin Calls deposited by the Client will not fall due for repayment until the Client's t between Leading Alliance and the Client are satisfied in full. Until this time, Deposits or Margin Calls will not constitute a debt due from Leading Alliance to the Client nor will the Client have any right to receive payment of these funds. If the Agreement is terminated, the Client and Leading Alliance agree that the claims against each other are finally discharged by means of close-out netting. Leading Alliance will determine the Close-Out Values for each affected Order in its sole discretion. The final amount to be paid by one of the parties will be the difference between the payment obligations of the parties.

## 11. NEGATIVE BALANCE PROTECTION

The trading systems of Leading Alliance are designed with safeguards to protect clients from encountering negative balances when trading under normal market conditions. All clients are provided with margin monitoring functionality. This functionality monitors the level of collateral should it drop below 100% of the required margin. In the event that it drops below 100%, the margin call mode will be triggered and maintained until the level of 50%. Should the margin level equal to, or drop below 50%, Leading Alliance will initiate the closing of current open positions, starting from the most unprofitable taking into account trading hours of particular instruments traded by the client. Positions will be closed automatically at the current market price. The clients can set personal limits for risk management purposes. Should a client incur a negative balance due to a "market gap", the client should inform the Leading Alliance support team. Leading Alliance will evaluate the inquiry and at its discretion may credit the client's account with the amount of the negative balance where the debit was during the course of normal trading activity. This policy is available to Private Clients only.

**Clients are expected to maintain the appropriate levels of margin in the trading account at all times as the recommended method of risk management.**

NOTE: The provisions of this policy shall not apply to:

- Force Majeure Event understood as an act of God, war, terrorism, malicious damage, civil commotion, industrial acts, any exceptional market events, or acts and regulations of any governmental or supranational bodies or authorities which in the company's opinion prevent an orderly market in relation to Client's orders;
- in abnormal market conditions or exceptional market movements/volatility;
- where the negative balance is connected to or a result of, either direct or indirect, breach of any provision by the client of the Client Agreement of the company or from the breach of the market rules, including but not limited to the laws of the client's country of origin, client's country of residence or any country.

Negative balance accounts – Leading Alliance is entitled to combine the balances of any other accounts you hold with us, including any Joint Accounts to effect any set-off of amounts owing between you and Leading Alliance, pursuant to our terms and conditions or otherwise, in each case in order to reduce or remove the relevant negative balance before effecting the negative balance protection provisions set out in this clause.
